CIVIL AIR PATROL UNIFORM MANUAL

CAPM 39-1, 01 JULY 1997, is supplemented as follows;

3-8.d.(1) (ADDED) Ground Team Headgear. Orange baseball caps with felt numerals are authorized for wear with the military and CAP distinctive Battle Dress Uniform (BDU) within New Hampshire Wing. Caps will be of day-glo orange, cotton twill material with solid back panel and front stiffener. Felt numerals will be of 2 inch block style, iron on material centered ½ inch over the visor and will reflect the last three characters of the unit charter number, (i.e., NH Wing, 001; Seacoast Squadron, 010; Lebanon, 014).

7-3.c.(1) (ADDED) Ground Team Scarves. Appropriately rated Ground Team personnel are authorized to wear the following designated scarves with the military and CAP distinctive Battle Dress Uniform (BDU) within New Hampshire Wing.

Ground Branch Director, Ground Team Leader – Orange
Ground Branch Director, Ground Team Leader Trainee – Yellow
Ground Team Member - Green
Ground Team Member Trainee – Air Force Blue
Medic (Doctor, RN, LPN, Paramedic, EMT) – Red
Medic Trainee (First Responder, ARC Advanced First Aid) - Maroon

The purpose of wearing distinctive Ground Team headgear and scarves is to provide a unique method of identifying qualified Ground Team members and to provide an added measure of safety when deployed in woodland settings during SAR missions.

Appropriately rated personnel will wear headgear and scarves during all Ground Team deployments conducted within the New Hampshire Wing. Wear of Ground Team headgear and scarves is encouraged at all Wing activities, including Squadron meetings, as appropriate and authorized by the Wing Commander, Squadron Commander or activity director.

Wear of distinctive Ground Team headgear and scarves is **not** authorized outside of New Hampshire Wing, except during actual or practice SAR activities, unless authorized by the Wing or Region Commander.
